PROFILE

Advertising and Digital Marketing student at Universidad Loyola, with a background in international marketing and business analytics. I am drawn to the commercial side of marketing: understanding customers, acquiring and converting them, and making business decisions based on data.

EDUCATION

BA in Advertising and Digital Marketing
Universidad Loyola, Seville campus · 2023 – present

BA in International Marketing and Business Analytics
Universidad del Valle de Guatemala · 2023

High School Diploma in Sciences and Humanities
Colegio APDE El Roble, Guatemala · 2022

PROFESSIONAL EXPERIENCE

Lead Generation Specialist · Webhelp OneLink — Sep – Dec 2022 · Guatemala

- Generated and qualified high-quality leads for the SelectQuote campaign, aligned with target customer profiles.
- Used communication and data analysis to optimize outreach and improve conversion rates.
- Worked in a fast-paced BPO environment to meet performance targets and maintain pipeline quality.

SELECTED PROJECTS

Esenzia Club · Digital campaign and lead generation — Individual · Digital Advertising
Media strategy (social ads, display, SEM and email) with channel KPIs, creative assets and a working landing page connected to Supabase, Resend and Google Analytics, with an automated welcome email.

Brío Sport · Business analysis and channel profitability — Individual · Personal project
Commercial diagnosis of a simulated sports ecommerce brand: acquisition cost, margin per customer, conversion and repeat purchase by channel. Budget reallocation and loyalty plan. Power Query and Tableau.

Ad3ntro · Brand and communication for a boutique gym — Individual · Copywriting
Naming, animated logo, claim and communication guidelines covering tone of voice, brand vocabulary and a colour-coded zone system.

Digital Narratives Observatory · Identity, social media and web — University project
Visual identity, carousel and story series for Instagram and TikTok, and an interactive website about misinformation and algorithms.

FFACSA Albañiles · Communication proposal — Individual
Campaign for a Guatemalan hardware store chain built around the pride of construction workers: insight, concept and print assets.

OFFF Sevilla '26 · Visual identity — Individual · Graphic Design
Logo, type system and applications for posters and stage.

Pizzería Carlos · Communication audit — Team · Organizational Communication
Digital communication lead in the audit of a restaurant chain: audiences, channels, digital presence, perception and recommendations.
